## **Profile**

What distinguishes RMD Sound from any other sound company?

- 29 Years experience (Started seriously in 1993, but very first function was in 1990)
- Professional equipment
- 11 Years full time party professional (it's not a hobby, it's a passion)
- Makes it a more personal experience than any other
- Technical knowledge (able to repair / sort out any hick-ups at a function, if any)
- Robert believes in doing ALL the work himself, but has a back-up arrangement with others in a "worst case scenario" or very big events
- RMD Sound is a Level 4 BEE company
- RMD Sound has done functions from Cape Town to Musina
- Worked with a lot of professional artists like Jamali, Denim, Debi Gorman, Abbot & Crabb, Karlien Husselman, Ricky Faber, Kristel Birkholst, Karen Zoid, Bianca Le Grange, DJ What What and one of South Africa's top producers, Mark West from CAP Events
- Doing everything, from Stage Manager at the crowning of MR SA 2009 to a small 6 – year old birthday party for 20 friends in a garage (nothing is too small or too big)
- Back-up system is readily available
- DJ Robert has the ability to "read the crowd"
- DJ Robert always arrives at the function well in advance
- Robert ensures a smooth flow during conferences and weddings
- Robert establishes a personal relationship with the client right from the start
- Robert keeps himself informed at all times with latest trends, music and technology
- RMD Sound follows the *Batho Pele* ("people first") principles
- Robert is not only a DJ, but also a VJ, Technician and Sound Engineer

Why the guarantee?

- To prove that this company's service delivery is one of the best in South Africa
- You get what you pay for
